

Secure & Versatile Car Mount with 360-Degree Rotatable Arm

INNOVATIVE DESIGN

Extended rotating arm to keep your smartphone from direct A/C vent airflow and allows quick change from portrait to landscape view for different apps.

SAFELY IN VIEW

Keep your smartphone in sight at eye level and ready for GPS directions, streaming music, and hands-free calls.

VENT VERSATILITY

The soft cushion rotating clip mounts your device firmly and securely onto any vent (horizontal, vertical, and angled).

EXTENDS UP TO 3.5" (9.0 CM)

Smart 360^o has a spring loaded expandable jaw which extends up to 3.5" to support larger smartphones and phablets with up to 6" screens (diagonal).

SHOCK PROOF DESIGN

Providing a stable viewing environment and firmly hold your devices over the roughest of terrains.

EASY ADJUSTMENT

360-degree Rotation for of both the arm and the head make adjustment to suit you as simple as possible.
